We urge the members to keep practising after the 2018 Nationals Championship as the trials will be very early in 2019 to enable us to apply for National colours and to adhere to the prescribed requirements. We also need adequate time to allow the selected group of members the time to prepare for the World Championship.

During February 2019, all the regions must present at least one “Regional – GSR” 5685 event. This regional event will be the first leg of the 2019 trials. At the end of February 2019 members meeting the following requirements will be invited to the next trials.

The next leg of the trial will be presented at Soutpan at the Meerkatgat shooting range. The trials will be held at the end of March 2019. These trials will be presented as follows:
